Welcome to Calvary Chapel!

We love your children and Calvary is a kid friendly place. However, to help people focus on worship and the Word of God and not on the cuteness of your little one or the funny little noises they make, we provide a Nursery and a Crying Room for infants and toddlers during the entire service. During the Teaching / Preaching portion of the services we also provide an age-graded Bible study for ages 3 through Middle School.

Reminder: Cell Phones, i-Phones, Pagers and other personal communication devices are really rude to use during the service — this includes texting (unless you are texting something like, "Wow, that was an awesome point Pastor just made! Doesn't the Word of God Rock?!") So, please put all those things on stun mode and save the texting until after service—no, really!
